Crinia signifera (Common Eastern Froglet)

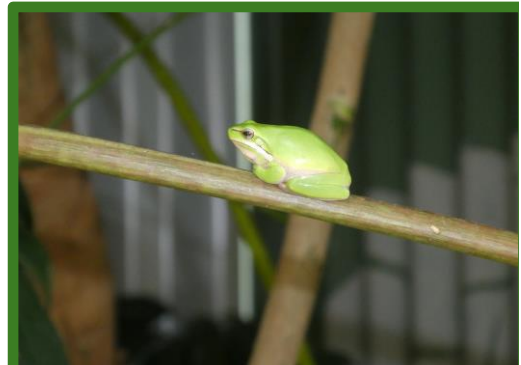

Litoria dentata (Robust Bleating tree Frog)

Litoria fallax (Eastern Dwarf Tree Frog)

Litoria latopalmata (Broad palmed Rocket Frog)

Litoria peronii (Peron's Tree Frog)

Litoria rubella

Lymnodynastes dumerilli (Eastern Banjo Frog, Pobblebonk)

Open for ID; cannot reconcile appearance with any distribution available to us; species seen often, sometimes colour appears more light brown than grey-ish; lives in the shade house among sub-tropical plants. Have no idea as to call. Thanks in advance 😊
